SOLUTIONS

Enhanced Job Postings

Boost visibility with features like videos, custom formatting, and logos to attract the right talent.

Featured Jobs

Highlight your postings at the top of search results for 30 days to capture candidate attention.

Banner Advertising

Increase brand exposure with premium banner placements on key pages.

Company Profile

Showcase your company with a standout profile above your job listings.

Sponsored Facebook Ads

Reach more candidates through targeted Facebook ads with industry and location-based strategies.

Targeted Email Blasts

Send personalized emails to candidates who match your hiring needs.

Database Sourcing

Find the right candidates using filters like location, job title, and experience.
